North Arcot District.

LAST REFERENCE.

Letter No. C. 1446 dated 16th April
1904 from the ~~form~~ Deputy Commissioner,
Kolar District.

The Muzrai Superintendent visited the place and found that Rs400 was being remitted to the Sri Parakalaswamy Mutt at Mysore. He then issued an order to the Head Peshkar at Tirupati not to remit any money to the Mutt at Mysore.

No 33 d: 14.7.92

The Palace Controller was informed that a sum of Rs1320-14-0 was being paid annually to the Sri Hayagriva Devaru in the Sri Parakalaswamy Mutt at Tirupati from the Bowringpet Taluk for the purpose of feeding the Sri Vaishnava Brahmins etc, that when he inspected he found that a sum of Rs400 was being annually remitted to the

No 162 d: 29.11.92

vein at Mysore, that he had directed the stoppage
of such remittance and that from a petition
received from the Agent of the Matt, it had been
found that Rs 400 was being utilized for
liquidating certain debts due by the Matt to the
Palace and it had been pointed out that the
object of the grant had been thereby defeated.

The Palace Controller replied that under No 47 d 17.12.92
certain arrangements come to, before the then
priest was installed, under the authority
of H. H., to liquidate the heavy debts contracted
by the Matt, certain reductions in expenditure had
been made and that the Tirupati Charities were
also one among them and said that he had
been directed by H. H. to request the postponement
of the enforcement of the terms of the Sanad.
Then the order issued to the Head Peshkar at
Tirupati was withdrawn and a copy of the same No 419 d: 2.2.93.
was sent to the Palace Controller for information . 441 d 6.2.93

Dharmadarsi Venkatanarainappa asked the No 9 d. 23.10.95
Head Peshkar to report if any accounts had
been maintained as regards the expenditure
of Rs (1320-14-0 — 400-0-0) 920-14-0
The Head Peshkar not having furnished any No 31 d 7.2.96
information whatever the Dharmadarsi wrote to the

Mirasi Superintendent to make proper arrangements for the conduct of Sautarpane & Brahmotsavam.

The Dram Superintendent was requested to furnish the copy of the Dram Register pertaining to the grant of Rs 1320-14-0 to the Sri Hayagriva deities of the temple. From the extract of the Dram Register, the object of the grant is seen to be -

No 529 d: 16.12.97

For Sautarpane at Tirupati & North Arcot District } Annual allowance of Rs 1220-1-0 or Rs 101-10-9 a month

" Brahmotsavam at Tirupati " 100-12-10 per annum

The Dharmadarsis of H.H. the Maha Rajah's Charities at Tirupati were asked to report how long the Vaishnava Sautarpane & Brahmotsavam had ceased to be performed by the Math.

No 732 d: 18.12.97

They reported that during the past 14 years no Sautarpane had been performed.

No 64 d: 21.12.97

The above papers had been placed before the officiating Dewan and he passed the following orders.

10.1.98

" Forward the reports of the Dharmadarsis and ask why the Sautarpane and Brahmotsavam had not been performed."

The Dy: Commissioner was addressed as directed above.

No 860 d: 15.1.98

He stated in reply -

No 2881/855 d 1.3.98

" It is stated that the allowance in question

" has been paid in the Bowringpet Tree account merely
" as a matter of convenience as being on the bordering
" Taluk to the British Territory where the institution is,
" to enable the agent to come and take the money
" while the supervision and management of
" the Churches have all along remained with
" the Church of the Math, the Constituted manager.
" The Swami is now in Mysore and the institution
" at Tirupati in the N. Arcot District. No record
" is forthcoming either in the Taluk where the payment
" is being made or in the District office to show
" the state of the building, the services performed
" at the place, the monthly expenditure incurred
" on that account or the agency by which
" it is being incurred. It would be more
" convenient therefore if the Muzrai Supdt
" can take the enquiries into his own hands
" as he will be able to obtain accurate
" reports from the Muzrai Agent on the
" Tirupati Hills and confer personally, if
" necessary with the Swami at Mysore. However
" the Govt are of opinion that it should be
" conducted in this District. I beg for permission
" to depute the Amildar of Bowringpet or
" the Trs Asst Comdr who is in charge of
" the Muzrai Deptt, to proceed to Tirupati
" and hold the necessary enquiries and
" that all records available in the Head
" office on the subject of the grant and
" subsequent performance of the Charities
" may be sent to me for reference"

№ 1158 d: 17 3 98

The Deputy Commissioner was asked to call upon the Mutt to explain why the performance of the charities had been neglected and to submit the Mutt's explanation for the orders of Government.

" 4119/1219 d: 7 6 98.

The Deputy Commissioner submitted the explanation of the Mutt stating that arrangements for feeding the Brahmins and for the up keep of the Chattram both on the hills and below had been made out of the amount Rs (1320-14-0 — 400-0-0) —

№ 712 d: 22 11 00

The Deputy Commissioner again stated that the Amildar, Bowringpet Taluk had reported that the agent of the Mutt had not been rendering any accounts for the amounts received and asked for instructions as to whether the Agent should be called upon to render any account ~~or not~~.

The papers having been submitted to the First Councillor he ordered -

" Ask the Deputy Commissioner to ascertain
" whether the Conditions of the Grant (Copy
" of the Dharwar Investigation being sent to him)
" are duly carried out in Principal and report

№ 840 d 8 2 01

The Deputy Commr was asked to report as directed.

Meanwhile the Agent of the Natt having
a petition stating that the Income Cash allowance
had been stopped, the Deputy Comr was asked
whether the allowance had been stopped and
if so, under what circumstances.

The Deputy Commissioner has repeated
what has been said in his No 2881/855 d: 1.3.98
referred to above regarding the enquiry to be
made whether the Charities are properly
Conducted or not and states that the arrears that
had been withheld for some time in expectation
of the necessary accounts being furnished
by the Natt, have since been paid up.

Ramier, Ramier & Ramier, Vakils, Madras, on behalf of the Trustees of the Tirupati Mutt. surprise visit to Tirupati to see how things are being managed in the Math there.

2. I proceeded to Tirupati and paid a surprise visit to the Sri Parakala Matt Mutt in Lower Tirupati on the 21st February 1960. There is actually no building at present, the old one having been ~~razed~~ razed to the ground. I was informed that, as the building was in a very dangerous condition, the Municipality of the place directed its being pulled down. The vacant site on which the old building stood measures 50 ft × 40 ft and faces the North Mada Street on one side and the Sannidhi street on the other in front of the Govindarajaswamy temple.

3. The Agent of the Matt, one Varada Tatachar, told me that a number of Orissa pilgrims were being fed daily in the Mutt premises temple at the place on the old site.

4. On the following day I went to the Mutt and inspected the Sri Parakala Matt [illegible] In front [illegible]

present an utterly dilapidated state but in which appears to have been in a good condition some 35 years ago. The site is now overgrown with rank vegetation and I was informed that it was being infested by tigers and other wild animals. About 30 years ago a small house site in 24 by 100 feet in the car street in front of the Sri Venkatramanaswamy temple appears to have been purchased by the Math. In it is housed the idols of Hayagreevadevaru are kept and worship performed. In this building feeding on a small scale is conducted.

the Matt was remitting monthly 75 Rs for conducting feeding and Rs 50 per annum for Brahmotsava Mukhotsa, and Adhyayana Utsavas. Pro enquiries made by me at the spot I learnt that the Agent was utilising the whole amount remitted to him by the Parakala Matt and that on occasions he was also contributing sums from his pocket for the purpose of feeding Srivaishnavas resorting to the Matt. He has however not kept any regular accounts, but produced a book in which he has taken down notes of receipts and expenditure.

7. Mr. S. Sundrachar, Pleader of Tirupati, who is one of the signatories to the memorial at my request came to me and represented that the Agent of the Matt was spending much more than what he was actually getting from the Matt, that the person with whom the memorial was originated was not to conduct of the Charity, complain against the ~~Carrying~~ but that it was with the desire of getting more funds collected for the purpose of feeding Sri Vaishnavas resorting visiting Tirupati. The other important signatories to the Memorial do not live in Tirupati.

8. I beg to invite kind attention to another Office Note below from which it will be observed that on the occasion of my previous visit to Tirupati in August 1904 in connection with H.H. the Maharaja's Charities there, I noticed the dilapidated condition of the Matt buildings. Under the orders of the late Dewan and Councillor the Matt was written to, to fulfil the conditions of the cash grant namely, feeding of pilgrims and renovating the Matt buildings within a year.

9. I was informed that plans and estimates for renovating the Matt building in Lower Tirupati were under consideration and that the work would be started soon. It appears to me now necessary to call upon the Matt to put the Matt buildings in Upper Tirupati in order very soon and to construct a building on the Matt's site in Lower Tirupati within a year or two, or one year or so, and to request that it to carry out the whole of the cash award to the extent of

enable him to conduct feeding on a larger scale than now. As the greater part of the cash grant is usually utilized towards conducting the feeding, it does not seem necessary to withhold the grant even now.

10. The Sri Parthasarathy Iyengar is in receipt of certain honors from the temple and to keep up its prestige, it is incumbent on it, to utilize the whole of the cash grant and conduct feeding &c in a satisfactory manner. The latter may therefore be requested to do this and to have the building constructed without delay, and the Memorialists informed accordingly.

To

The Palace Controller
Mysore

Sir,

In forwarding herewith Petition No 438 of the 22nd instant; from the Agent of Sri Parakala Matt at Mysore, I have the honor to state that a sum of Rs (1320-14-0) per annum is being paid to Hayagreeva Devar in the Parakalaswami Matt at Tirupati, North Arcot District, from the Bowringpet Taluk for the purpose of feeding Sri Vishnava Brahmins at the place.

2. Lately when I inspected the Mysore Institutions at Tirupati, I found that, out of the amount of Rs 1320-14

a Sum of Rs 400/- was being annually remitted to the Steel Gruk [illegible] for the maintenance of the Matt by the Agent at Tirupati, that the feeding was not being conducted properly, and that there were frequent complaints on the subject.

3. Consequently, I directed the Agent at Tirupati to withhold the remittance and asked the Swami to discontinue the drawing of this Sum from Tirupati

4 From the Petition now addressed to this Office by the Agent of the Matt at Mysore, it seems that the Sum of Rs 400/- was being utilised for liquidating the Sum debts due by the Matt to the Palace

The object of the Grant

is that the whole amount should be utilized for the feeding of Sri Vishnava Brahmins at Tirupati and the use thereof for purposes other than feeding is against the terms of the Sanad issued by H.H. the late Maharaja.

6. Under such circumstances, I have to draw your attention to the fact that the Government are not liable for the debts of the Math and should not be held liable to the liquidation of any debts due by the Math to the Palace and the Trust should take the arrangements to clear the debts. An early reply is requested.
